

# Live Webex Training

Cisco hosts live online classes every week. The classes offer both beginner and advanced sessions on all versions of Webex: Webex Meetings, Webex Events, and Webex Training. They also host “drop-in sessions” where you can ask the Cisco experts specific questions you may have. The full calendar and schedule can be found here:

<https://help.webex.com/landing/onlineclasses#upcomingClass%2FWebex%20Meetings>

A rerun of the “Webex Meetings Basics” training session that Verizon conducted for us back in December. You can watch a recording of the December training here:

<https://youtu.be/ziFqHWrAWhY> (1 hour, 3 minutes)
